

COVID-19 / CORONAVIRUS

As a company, we would like to maintain a safe and healthy work environment. We would like our staff members to abide by the below rules in order to maintain a safe environment during the pandemic –

- Enhanced personal hygiene protocols, ie, clean vests at all times, washing your hands frequently
- Avoiding contact with those who are sick / staying home when you are sick
- Regularly cleaning work stations and frequently used objects
- Avoiding sharing items of any kind
- Covering your cough and sneezes
- Staying hydrated and rested

MAT Express is providing hand sanitizers to all terminals and keeping supplied on all disinfecting products as well.
